2. Where is this event taking place?
3. What can you say about the motorcycles these people are riding?
4. If you still have time, please describe the picture in as much detail as you can.

Answer:

I think these people are taking part in some kind of motorcycle race. The riders appear to be riding on sand, not on a track. Perhaps this race is taking place in a desert, or near the ocean. The motorcycles in the picture look like off-road bikes, designed for racing in places where there aren't any roads. Each motorcycle has a number, and the one in front seems to be

covered in stickers. To describe the picture further, I would say that all three of the riders are wearing protective clothing and helmets, which suggests that this race may be a little dangerous.

Picture Description 2

Instruction: Look at the picture, think about the questions below for 30 seconds, and then answer in 1½ minutes.

1. How would you describe this man's appearance?
2. How do you think he is feeling?

4. If you still have time, please describe the picture in as much detail as you can.

Answer:

This man is dressed as a clown. He is wearing brightly-colored clothing and a lot of makeup, including bright red lipstick. He looks a little silly, but this is how clowns are supposed to look. I think this man is obviously having a good time because he is smiling and looks quite happy. This picture was probably taken during some kind of street festival or parade, as I can see a lot of people standing by the side of the road in the background. To describe the picture further, I would say that the man is riding a motorcycle which is much too small for him.

Part B: Picture Description 1

Instruction: Look at the picture, think about the questions below for 30 seconds, and then answer in 1½ minutes.

- 1. What is happening in this picture?
- 2. Why might it be dangerous to do this?
- 3. What would you do if you discovered someone you knew doing this?
- 4. If you still have time, please describe the picture in as much detail as you can.

Answer:

The man in the picture appears to have fallen asleep on a bench somewhere, perhaps in a park or on the street. I think it could be dangerous to do this because you might wake up to discover that your wallet has been stolen! If I discovered someone I knew sleeping outside like this, I would wake him or her up to make sure they were okay. To describe the picture further, I would say that it is obviously day time, so either the man's "internal clock" is wrong or he is just extremely tired. Perhaps he is a "night owl" who has been up all night partying.

Picture Description 2

Instruction: Look at the picture, think about the questions below for 30 seconds, and then answer in 1½ minutes.

1. What do you think the people in this picture are doing?
2. How do you think they are feeling?
3. What can you say about the place where this picture was taken?
4. If you still have time, please describe the picture in as much detail as you can.

Answer:

The three people in this picture are trying to put out a fire. Two of them appear to be digging in the ground- perhaps to try and stop the fire from spreading. I think that these people are probably feeling very hot and uncomfortable, as they are very close to the flames. I guess that they are also feeling tired, as the man in the background seems to be taking a rest. This picture was probably taken in a forest, as I can't see any buildings or paths in the picture. The flames aren't very big, so perhaps the fire is almost under control and is dying out.

2. For what reason might people buy the things you see in the picture?
3. On what special romantic days might this shop do very good business?
4. If you still have time, please describe the picture in as much detail as you can.

Answer:

This looks like a flower shop, because I can see many different kinds of flowers on display. I think a person might buy something at this shop if he or she wanted to give someone a romantic gift. For example, a man might buy his girlfriend or wife some flowers from a shop like this. I think that this shop would probably do very good business on Valentine's Day or

Lover's Day. To describe the picture further I would say that, as well as flowers, this shop appears to sell cute soft toys. I can see a lot of them in some kind of basket at the left of the picture.

Picture Description 2

3. What can you say about where this event is taking place?
4. If you still have time, please describe the picture in as much detail as you can.

Answer:

I think that this picture was taken during some kind of bicycle race. I think that the men standing in the road are probably helping the riders. They appear to be holding bags, which could be full of drinks or food. The race is being held in a city or town, as I can see tall buildings in the background and the road that the cyclists are riding on looks quite wide. To describe the picture further, I would say that there are a lot of people in this race and that they all seem to be wearing helmets and cycling gear.

2. Why might these people have been called to this place?
3. Imagine that you came across a scene like this. What would you do?
4. What do you think has happened, or is about to happen?

Answer:

I think these people are police officers, as I can see the letters "FBI" on their uniforms. I think

that they are getting ready to go into action- perhaps they're going to try and catch a dangerous criminal. They may have been called to this place because the criminal is hiding nearby. I would be very surprised if I came across a scene like this. But if I did, I would definitely want to get as far away from it as possible. Looking at the picture, I get the feeling that something terrible may have happened, or is about to happen. The officers are wearing protective clothing, so guns or other weapons are probably involved.

Picture Description 2

Instruction: Look at the picture, think about the questions below for 30 seconds, and then answer in 1½ minutes.

1. What do you think this man is doing?
2. Why might he be doing this?
3. How do you think this man might be feeling?
4. If you still have time, please describe the picture in as much detail as you can.

Answer:

I think that the man in the picture is training the dog. He seems to be teaching it how to attack or catch people. This makes me think that the dog is a police dog, being trained to protect police officers in dangerous situations. I guess that training dogs in this way is this man's job, so he's probably not scared by the dog at all. And, if he knows the dog in the picture well, he may in fact be having fun training it. To describe the picture further, I would say that the man appears to be wearing something on one arm to protect it from the dog's teeth. He is also carrying a stick, which may be used to punish the dog.
